

family friendly. fully loaded.

The SAMSUNG Smooth™ is a very appealing phone. It looks smooth. It feels smooth. And with its generous list of features, it works smooth. This slim flip-phone comes with full messaging options, Bluetooth® Wireless Technology, a built-in camera and more. When you get everything you need in one small package, that's pretty Smooth™.

multiple messaging options

Keeping tabs on your social scene is easy with the Smooth's many messaging options. Send texts to friends and family. Check and reply to mobile web email. Take pictures and share them with friends. You will be so connected.

Stereo Bluetooth® wireless technology

Going hands-free is easy. The Smooth™ quickly pairs with a Bluetooth® headset, so you can talk without wires, and without hassle.

media center capable

Make your phone your own by downloading ringtones, wallpapers and games from Media Center. Plus, you'll have access to VZ NavigatorSM for turn-by-turn directions, maps and a helping hand in finding local points of interest.

camera with night shot

The Smooth™ has a built-in VGA-quality camera with Night Shot so you can take your best shots day or night.

ENERGY STAR®

Powered by an ENERGY STAR® qualified adaptor for a better environment.
