

# your personal assistant, perfected

Finally, you can have your own personal assistant – the SAMSUNG Jack™. This slim, ergonomically designed device will assist you in every aspect of your life – personal and professional. With Windows Mobile™ 6.1, you'll stay on top of your appointments and your business documents. With a 3.2 megapixel camera, multiple messaging and Wi-Fi, you'll be connected to your friends, co-workers, family and the internet. Can you handle this much organization?

## qwerty keyboard with turbo scroll

The Jack gives you a full, thumb-friendly QWERTY keyboard with Turbo Scroll, so you can scroll line-by-line or page-by-page. Either way, you'll be in complete control.

## Windows Mobile™ 6.1

Because you work with Microsoft® documents, the SAMSUNG Jack does, too. Windows Mobile™ 6.1 gives you access to the full Microsoft Office Mobile Suite, including Word®, Excel®, Outlook® and PowerPoint®. Yes, the Jack

## multiple messaging

If you like to use your phone for more than just talking, the Jack is ready to assist you. It lets you do text messaging, Instant Messaging, picture messaging, video messaging and email. You can also connect with your corporate email accounts.

will be your professional assistant, too.

### 3.2 megapixel camera

This smartphone also comes with a smartcamera. You get a full 3.2 megapixels, with a full complement of real camera functions. You'll never be caught without your good camera again.

### ENERGY STAR<sup>®</sup>

Powered by an ENERGY STAR<sup>®</sup> qualified adaptor for a better environment.

### wi-fi
